YEAR 7 CAMP

Notes for the Year 7 Peer Support camp were issued to all students last week. The note contains information relating to the cost, location and dates for this camp. Along with the permission note, are the medical forms required by the Great Aussie Bush Camp, which need to be handed in with the signed permission note. Please read the information on both documents carefully and fill in all relevant details correctly. The deposit and note are due by 23rd of February, the balance due by the 9th of March. Further information about the camp will be discussed at Monday afternoon's Year 7 information evening.

INDIGENOUS ENGINEERING SUMMER SCHOOL

On the 14th – 20th of January, Year 11 student Jacob Honery participated in an engineering summer school hosted by the University of Sydney. The week included visits to the Cochlear Headquarters, Opera House, Sydney Harbour Bridge Walk and Admiralty House, participating in many activities, presentations and hands-on workshops. Jacob liaised with a variety of international engineering companies, discussing different fields of engineering and how they all work together on current, real life projects such as the Sydney Metro and the upgrade of the Pacific Highway. Not only did Jacob learn about engineering but it also developed crucial skills involving public speaking, interacting with different people and how to communicate your ideas effectively. Congratulations Jacob.

School Sport

The Lambton HS 2018 Swimming Carnival was held on Friday 9 February 2018, with excellent participation from the staff and students. Full results from the carnival will be announced at the next formal assembly, with the City Zone Team published outside the PDHPE staffroom. More details on the carnival next week.
